Extended Studies at Academy Online Application 2016-2017

IMPORTANT

Courses run based on student demand determined through enrollment and budgetary considerations. Academy Online may need to add or remove courses based on these factors. Any changes will be communicated before the start of each semester.

Signing up for a year-long course requires a year-long commitment; sign up for both semesters of the class.

Courses listed as HYBRID have required attendance at scheduled class meetings no more than once per week. See the [Extended Studies Course Catalog](#) for details about class meetings.

Students may not register for more than a full load (8) courses per semester (total for primary school and Academy Online). If a student desires an overload, the principal and counselor must approve it with parent consent. Students will be charged \$250 per course, per term for overloads. Students may only have one overload in a semester.

Courses may be dropped without academic/financial penalty before published deadlines. After then, students who drop or stop attending may be charged a \$250 per course fee. Additionally, students who drop after the published deadlines may receive a WF grade on their transcript for that course.

WAIT! Before you sign below, are you ready to take an Extended Studies course? Please review student responsibilities.

STUDENT RESPONSIBILITIES

- Recognize qualities that make a student a “good fit” for the program: timely assignment/homework completion, motivation, reading proficiency, and self-direction. Honestly self-assess readiness to be successful in this program.
- Attend scheduled class meetings; commit to course attendance requirements set in the course catalog.
- Complete the course during its start and end dates. Understand that we do not grant incomplete grades for courses.
- Prepare for the demanding nature of online course work:
 - Log in and work on the course every school day.
 - Meet weekly deadlines.
 - Check email daily; reply to teachers and Extended Studies staff. Communicate regularly.
 - Stay organized with a scheduling system.
- Complete the orientation if you have never taken an Extended Studies at Academy Online course.
- Log in on October 1 (first semester students only) and complete the required course work.
- Practice responsible online behavior and respectful online communications.
- For dual college credit, meet college deadlines and follow college procedures. Recognize that there is no guarantee of transferability of University of Colorado credit; college and universities publish their own policies.
- Be honest if you are struggling, and ask for help. EVERYONE struggles from time to time.
- Read, understand, and have the opportunity to ask questions about policies and procedures, as outlined in the handbook (<http://www.asd20.org/Schools/aohs/ESAQ%20Documents/7%20Toolkit.pdf>).
